To: United Response Search & Rescue Team

From: Capt. Danny Williams Ellis County Sheriff's Dept.

This letter is intended to express my sincere gratitude and appreciation for the remarkable response we received from your agency during the early stages of our investigation into the disappearance of Doris Phillips.

The nature of the investigation required us to do an intensive search of a very large area. This could not have been accomplished without the response from agencies such as yours to our call for assistance. The short notice was regrettable but not a factor in getting the job done.

Everyone that responded from your agency displayed a high level of professionalism that would make anyone proud to be associated with such a fine group of people.

On behalf of myself and the Ellis County Sheriff's Department let me thank you for the effort that was made in the attempt to locate this missing person. The family wishes to extend their gratitude for your efforts as well.

May God Bless each and every one of you, and if we can be of help in the future please don't hesitate to call
