Robert Stephen Brown has been missing since Saturday morning 3/10/07. He was last seen wearing a light colored shirt, dark pants, white socks and navy blue "Croc" type shoes. Robert's feet are bandaged because of recent amputations to both feet. He is missing two (2) toes on each foot and has a large open wound on one ankle. Robert is partially blind in both eyes, insulin dependent, and recently out of the hospital. Robert did not drive, and could not have traveled far on foot. Robert's family fears that foul play may be involved in his disappearance.
