I want to thank all of you for your efforts. Thank you for helping the law enforcement people to determine that mother was not to be found on the farm.

Thank you for your prayers and hard work. Personally I am trusting that God will allow her to be found and that if anyone has harmed her that they will be brought to justice.

The hardest thing is simply not knowing or understanding why she is missing or who would want to harm a 81 year old lady.

The women on my mother's side of the family have lived from the ages of 92 to 98. My grandmother lived to the ripe old age of 96. My mother still had or has a few good years left.

Just to let all of you know we never dreamed of this happening to mother...You know it always happens to someone you don't know.....somebody else.

I know now when something bad happens such as my mother's disappearance there are good people like you there to help.

I just wanted to thank you, Ron Phillips

I am the oldest son of Doris Phillips
