

Special Recognitions for 2009!!

2009 was a tremendous year for United Response Search and Rescue Team. We wanted to take this opportunity to thank those of you who make what we do possible!

The **Leslie Family Foundation** awarded United Response the largest grant that we have ever received. Thanks to this very generous grant, we now have a new 2010 Key Stone Cougar 36.3' Mobile Command Center! Without the grant from the Leslie Family Foundation, we would have never been able to have afforded this \$50,000. Mobile Command Center.

Not only did the grant we received from the Leslie Family Foundation, allow us to purchase our new command center, but we were also able to purchase three new ATVs, and will be able to upgrade our communications equipment for the new mobile command center!

Through this grant we also expect to be able to purchase other needed equipment for our dive team, ground team, equestrian team, and cold case team! **THANK YOU LESLIE FAMILY FOUNDATION!**

We also would like to take this opportunity to thank **Direct Logistics** for their continued support. Direct Logistics made a very sizable donation in December 2008. This donation was a tremendous blessing, and it came at a time when we were in desperate need of a new computer. Direct Logistics has generously supported our search and rescue efforts for seven years. Many of our out of

state search operations would not have been possible without Direct Logistics.

Thank you Direct Logistics!

We also would like to take this opportunity to thank the **American Legion post 140, and the Le Petit Salon 8 40 364**. The monthly donations received this year by these two wonderful organizations, made it possible for United Response to operate our emergency response lines. Their generous donations came at a very difficult time for our organization, and had it not been for their contributions, we may not have been able to keep our emergency lines open. **Thank you American Legion and Le Petit Salon!**

We also would like to take this opportunity to thank our dedicated, and committed, **Board Members, Team Members, Team Leaders, Junior Team Members, Cold Case Team Members, Case Workers, Case Managers, and Volunteers**. It is because of your dedication, that we have been able to help so many of these families, and Law Enforcement, and will continue to do so.

We pray that 2010 will be as much of a blessing to all of you, as you have been to us! Please continue to pray for those who are missing, and their families. Let's bring them home!
