Stacie has pierced ears with two holes in each ear and two or three white spots on the right side of her neck. She was last seen wearing white cotton pants, a long sleeved white sweatshirt with a pink and orange logo and white tennis shoes. Stacie was in the company of Susan Renee Smalley (M8803019) when they both disappeared. The vehicle they were driving was found abandoned in a shopping center parking lot in Dallas, Texas.

### **Circumstances of disappearance:**

Stacie and Susan planned to spend the night of March 19, 1988 at Susan's family residence in Carrollton, Texas. It has been established that the girls were at the house at approximately 12:00 a.m. on March 20, as Stacie had called a friend while at Susan's house. They were traveling in Stacie's 1967 Gold Green Mustang convertible. Stacie had \$600 in her bank account, that was left behind.

Stacie and Susan apparently attempted to purchase beer at a local 7-11 convenience store in the early morning hours of March 20. They were refused service due to their ages. The girls then drove to the Steak and Ale in Carrollton, where Susan was employed as a hostess. One of Susan's co-workers told investigators that Susan spent approximately five minutes inside the restaurant speaking to a friend, then departed. Stacie stayed inside the vehicle while Susan was in the establishment. This was the last confirmed sighting of the girls.

Stacie's 1967 Mustang convertible was later located later in a strip mall parking lot in Dallas, Texas on Forest Lane and Webb Chapel Road. The vehicle was Locked and appeared to be undisturbed; Stacie's portable stereo was placed on the back seat.

Foul play is suspected in the girls' disappearances. Madison's boyfriend was questioned extensively. He allegedly told someone he'd killed Stacie and Susan, but He immediately recanted his statement .
