

*****Update on Kristen Charbonneau's Case *****

Dan Moore, the long standing person of interest in Kristen Charbonneau disappearance has been arrested!! The news came late last evening, after many years of searching for their beautiful daughter Kristen. The slow wheels of justice are finally turning... Dan was arrested on 2/26/2010, and has been charged with First Degree Murder, for the murder of Kristen Charbonneau. This day is bitter sweet for the Charbonneau family, as they had always hoped that Kristen would be found unharmed. Although Kristen has still not been found, this family is more determined than ever, to do just that! Our hearts and prayers go out to the Charbonneau family, as we know they have a very long journey ahead of them.

The family has made a statement regarding this latest development, of which we are including. We are also including a link to Kristen's web site, where you can read more as this situation continues to develop.

Charbonneau sent to United Response.***

Dan Moore has been arrested this evening at 7:30 pm at his home. He was charged with first degree murder in front of his wife and sons. I can't begin to tell you the emotions I am going thru right now. It's a satisfying day but a sad day. It feels like we lost Kristen this evening at 7:30pm.

We want to thank each of you for your love, support, encouragement and friendship thru out this nightmare. I can't put into words what all of you mean to me. All of you checked on me when I was absent for a few days. All of you told me to never give up and we didn't give up.

Kristen was a wonderful, beautiful young woman who deserves to be found !! We have won one battle but have another battle to fight when the trial begins. I have updated the website with this information but will keep it updated with any information I am allowed to print.

Thank you !!
