IRVING, Texas (AP) - A Mineral Wells man wanted over the strangling of his girlfriend has been arrested in Del Rio.

Investigators say the couple's toddler son was with the man and the boy is OK.

3-year-old Daniel Gabriel Orona had been the subject of a search since the body of 26-year-old Irene Franco was found September 9th in an Irving motel.

Police say Ernesto Orona and his son were located in Del Rio, but further details weren't immediately released.

A murder warrant had been issued for Orona, 29. A murder conviction carries a possible punishment of 5-99 years in prison and a fine of up to \$10,000.
