

**United Response Search and Rescue Team
Consent and Release Form**

By my signature below, I authorize United Response and its authorized agents and volunteers to assist in the search for the following missing person:

(please print the missing person's name)

Consent is hereby granted to United Response Search and Rescue Team to use photographs of the missing person and details concerning the disappearance. United Response may use the photographs and details on local and national television, newspapers, flyers, posters, magazines, the internet and other distribution sources.

I have given and will continue to provide complete and accurate information to United Response about this missing person. I consent to the investigation by United Response of all information that I have given or will give to assist in the recovery effort of this missing person. I understand that United Response Search and Rescue Team is under no obligation to continue assisting in this search.

I agree to release United Response, its directors, officers, employees, volunteers and authorized agents from any and all liability claims, and causes of actions which may result or arise from the release of photographs and details concerning this missing person.

I understand that the registration of the missing person with United Response Search and Rescue Team is in no way a guarantee the location of the missing person.

I agree to contact United Response Search and Rescue Team within 12 hours of the location of the missing person.
